Hey Ladies!

Whether you're a leader in your field or have one foot on the bottom rung of the corporate ladder, the Professional Women's Roundtable is a support system that's there to help.

Tonight's discussion includes Anne Gordon, managing editor, Philadelphia Inquirer, Irene Hannan, senior vice president, Citizens Bank; Sharmaine Matlock Turner, executive director, GPUAC; Katherine Hatton, general counsel, Philadelphia Newspapers, Inc.; and Kathleen O'Brien, partner, Montgomery McCracken Walker & Rhoads. Ask questions and get plenty of answers on how to succeed in business from the ladies who've already been there. And remember, it's all about networking.

PWR, Mon., May 17, 5:30pm – 7:30pm, \$10 members, \$20 non-members, Pyramid Club, 1735 Market St., 52nd Fl.,
